Terry Fox

A big thank you to our school community for collecting over \$2,700 in donations for the Terry Fox Foundation. Way to go!

From the Library

Our students have many amazing online resources at their fingertips! Over the next few weeks watch for helpful tips and guidelines to accessing some of these resources from home. To access these tools at home your child would use their board login and password. If your child does not know this information they can request it from their teacher.

This week check out the [Elementary Internet Tools page](#).

1. Go to the school website <http://ewf.hdsb.ca/> and click on the 'Websites' tab.
2. Here you will find direct links to many regularly used websites.
3. Click on the link for ENGLISH Internet Tools.
4. This is a great opportunity to see if your child's login information works.
5. Check out NoveList - a great resource for book recommendations! See something you want to read? Check to see if it is in our library by clicking on the link to our Foster Library from the Website tab on our school website.

Hot Dog Days at EWF

Once again this year EW Foster will have a Hot Dog day on the last Tuesday of the month. Proceeds will go directly to Halton Learning Foundation (HLF). HLF does important work for the schools and students in the Halton District School Board. They contribute funds for such things as student subsidies, scholarship funding and engagement funding to enable schools to purchase additional resources and fund educational programming.

The Hot Dog lunch will include a Hot Dog and condiments with a Halal option, apples slices and a cookie. The orders will be done two months at a time, so the October and November will be available soon on School Cash Online.

Grade 4 Testing

Grade 4 students will be writing the CCAT (Canadian Cognitive Abilities Test) during the week of October 22-26th. If you have any questions or concerns please contact the school.
