Cross Country

Our teams did exceptionally well at the meet on Thursday. Four of our six teams finished first overall and will be receiving ribbons at an upcoming sharing assembly. Our grade four girls finished fourth overall. It was a great time to be at Kelso on a gloomy day that turned warm and sunny with all runners enjoying some time outdoors with friends.

SCHOOL COUNCIL

Volunteers: Thanks to those who gave their email addresses at the open house with intentions to support council by volunteering for events when needed. We sent out an email with the addresses we copied down last week and heard back from several gathered, but not all. We don't want you to think we haven't reached out, so if you did give your email address and haven't heard from us yet can you please email Chris S. at lcms.repair@gmail.com so we can add you to our list.

Active Chefs: As mentioned there is limited space available for this event on a first come first serve basis, and we received more registrations than capacity. Registration is now closed and we will be reaching out directly over the coming weeks to those who will be attending the event, in order of registrations arrival.

Lunch Box Orders: We are excited to announce that in two weeks we will be offering another lunch service to EWF. Lunch Box Orders is a third party group who organizes delivery with all sorts of local food vendors. We will a week in advance to set up our order system, and once up and running will rotate through one vendor every week; Hero Burger, East Side Mario's, Paramount and Swiss Chalet on THURSDAYS. More to come shortly on sign up and payment details etc.. A really exciting new opportunity working with LBO.

Movie Night Fri, November 9th: We will be communicating the super amazing, can't be missed movie, for this coming movie night shortly.

We hope everyone had a wonderful Thanksgiving Weekend.
